

Based on the dataset, the ideal location for the coworking location would be the first coworking location at 5255 Winthrop Ave #110, Indianapolis, IN 46220. This location is central to all of the locations for the restaurants, housing, and biweekly events. The other coworking locations may be closer to the housing location, but less convenient for travel between the events and the restaurants. The dataset shows that most of the locations are spread out throughout the area of Indianapolis, which means that the Xterns would have a great opportunity to experience the city.
